

## WRITING

# IBC

**“I have difficulty writing paragraphs.”**

## **I**ntrouction

- Clearly state the main points.
- Change the original question to a statement and include the main points.

## **B**ody

- Each paragraph should include:
  - transitional word or statement
  - main ideas
  - supporting details
  - examples
- Be sure these points directly relate to the question and the topic in the introduction

## **C**onclusion

- Begin with a good summary statement
- Include the main points covered in the body
- State how you proved, supported, or defended your original intent in the introduction
