

WRITING

W-S-D-L

"I have difficulty spelling."

Write

- When you first find a misspelled word or someone points out a misspelled word, ask yourself why it is wrong.
- Write the word several different ways until you find a word that "looks right."

Spell check

- If you are using a computer, run the spell check feature of the word processor.
- If you are writing it out by hand read over your writing and check for misspelled words.

Dictionary

- It never hurts to check the dictionary for:
 - appropriate spellings,
 - alternative spellings, and
 - definitions
 - root words
- Knowing this information may help you remember how to spell the word.

List

- Make a list of the words that you frequently forget how to spell.
- Highlight the letters that are hard for you to remember.
- Refer to this list whenever you have to write this word.
